

Covid-19 Response

To our clients,

On behalf of the team at St Ferrer, I'd like to thank you for your continued support. As the COVID-19 crisis continues to evolve, I want to reassure you that we are staying open for business and remain committed to delivering to our clients.

The government has emphasised the importance of continuing to keep the construction industry open, and that means we are staying on the job. The safety and welfare of our employees, subcontractors, service providers and clients remain our top priority.

We are adapting, operationally, to ensure we keep our people safe – in line with government recommendations. We have been working closely with our valued clients since the crisis began and will continue to do so.

Our mission remains unchanged – to give you the best building experience possible.

If you have any questions, please contact me on the details below.
