

A large, light gray geometric frame with a complex, multi-sided shape, resembling a stylized house or a modern architectural element. It has a thick border and a central rectangular area.

**ST FERRER  
IMPACT  
BUILD**

St Ferrer is proud to launch The St Ferrer Impact Build 2026, a community initiative created to support one Melbourne family or individual experiencing significant hardship.

On the 21st of August 2026, our team will provide a fully funded home refurbishment at no cost to the successful recipient. The project will bring together St Ferrer staff, trades, suppliers and industry partners for one day of practical work designed to create meaningful change.

Following several years of fundraising for important causes, The St Ferrer Impact Build marks a more hands-on way for St Ferrer to give back. By using the skills and generosity of our wider network, we hope to improve the everyday life of someone in need.

# How Partners Can Contribute

We are inviting selected trades, suppliers and local businesses to support The St Ferrer Impact Build through the contribution of time, materials, products, equipment, services or other in-kind support.

---

Partner contributions may include:

- Trade labour or specialist services
  - Building materials or products
  - Equipment hire or site supplies
  - Landscaping materials
  - Paint, coatings or hardware
  - Cleaning, waste removal or consumables
  - Food, refreshments or on-site support for volunteers
  - Photography, videography or promotional support
- 

All contributions will help increase the impact we can deliver for the successful recipient.

## Partner Recognition

In recognition of their support, participating partners will be acknowledged across relevant St Ferrer Impact Build communications. Recognition will be based on the type and scale of contribution:

01 Major Impact Partner

02 Supporting Partner

---

## Our Approach

The St Ferrer Impact Build is first and foremost a community initiative. Our focus is on delivering practical support to the successful recipient.

Partner recognition is offered as a thank you for genuine support, not as a commercial advertising arrangement. All communications will remain aligned with the purpose and tone of the initiative.

St Ferrer will work with each partner to confirm suitable acknowledgement before the project takes place.

# 01 Major Impact Partner

For businesses, subcontractors and trades contributing a high-value trade package, major materials, equipment, services or significant on-site support.

---

Recognition may include:

- Business name or logo listed on The St Ferrer Impact Build webpage
- Acknowledgement in social media partner announcement post (LinkedIn, Instagram, Facebook)
- Acknowledgement in social media partner thank-you post (LinkedIn, Instagram, Facebook)
- Acknowledgement in post-project wrap-up article
- Inclusion in post-project video credits, where applicable
- Mention in relevant media releases or community updates
- Opportunity to be included in on-site photography or group imagery
- Use of “Proud Impact Partner of The St Ferrer Impact Build” wording

## 02 Supporting Partner

For businesses contributing smaller materials, products, refreshments, consumables, equipment or other project support.

---

Recognition may include:

- Business name listed on The St Ferrer Impact Build webpage
- Acknowledgement in social media partner thank-you post
- Acknowledgement in post-project wrap-up article
- Use of “Proud Impact Partner of The St Ferrer Impact Build” wording

# Get Involved

If you would like to support The St Ferrer Impact Build through materials, services, labour or other in-kind contributions, we would be grateful to hear from you.
